Community Input Needed in Mental Health Needs Assessment

The University of Colorado Depression Center is conducting a comprehensive mental health needs assessment for Pitkin County and surrounding areas, sponsored by Aspen Valley Medical Foundation. Community members are invited to share their input and experiences, in order to improve local mental health services. Focus groups are being held Tuesday, June 2 and Wednesday, June 3.

For further information or to get involved, contact Matt Vogl at the University of Colorado Depression Center, matt.vogl@ucdenver.edu, 303-724-4967, or contact AVMF, 970-544-1298, info@avmfaspden.org.
